### UP-TO-DATE DRUGGISTS GIVE YOU WHAT YOU ASK FOR

The Old Joke About "Something Just as Good" Doesn't Apply Any Longer.

You have probably heard dozens of times the old story that a drug store was a place to "get something just as good." There is a least one medicine in the world that no sane druggist will try to offer a substitute for.

It is certain that an inferior article should never be substituted for a safe, reliable remedy for constipation and liver trouble like Dodson's Liver Tonic. Nevertheless, this harmless vegetable liquid has proved

so satisfactory a liver stimulant and reliever of biliousness, as to entirely take the place of calomel without any danger or restriction of habits or diet, and there are dozens of preparations springing up with imitations of its claims.

But Dodson's Liver Tonic is guaranteed to do all that is claimed for it and if you are not satisfied with it, the druggist who sold it to you will hand your money back with a smile. Any person going to his drug for a bottle of Dodson's Liver Tonic will be sure of getting a large bottle of this genuine remedy in exchange for his half dollar.

### THE DOLLAR DINNER CENTER OF INTEREST

Citizens Feast Scheduled For Next Friday Night Promises Unusual Results

Judging from the secrecy maintained, and mysterious goings on among the members of the Entertainment committee, the annual Dollar Dinner of the Chamber of Commerce next Friday night will be worth while. This committee, composed of J. Lindsey Nunn, chairman, Geo. S. Williams and Frank Foreman refuse point blank to divulge the proposed outline of the festivities, the only comment being that the affair will be "different" from anything else attempted in Amarillo. The trio had their heads together Monday afternoon and night, planning and scheming. Rumor has it that those fortunate enough to hold tickets on the eventful night will "get their money's worth." And that bit of news seems to squeeze the lemon dry.

A committee composed of Frank Foreman, C. H. Yost and Clyde Coekrell worked Monday afternoon

selling tickets for the banquet. Another committee will work Tuesday. The interest manifested is very gratifying to the committee, who state that those who intend participating had better put in their bid quickly, as when the limit of comfortable accommodation at the Amarillo hotel is reached the lists will be closed.

Professor F. F. Phillips who has charge of the speaking for the evening, and who will act as toastmaster, has about completed all arrangements and promises the list for publication Wednesday.

### D. D. D. Opens New Era in Cure of Skin Disease

Professor Dudion's case of eczema was known to almost every hospital and physician of reputation throughout the state of Connecticut. His letter is another interesting demonstration of what is being accomplished by the famous specific D. D. D. Prescription. "It may be of interest to you to know that your life-giving preparation, D. D. D. Prescription has been of incalculable value to me. I was covered with eczema from head to foot when I began using your remedies. I could get no relief although I tried a thousand ointments. I applied but two bottles of the Prescription; a cure was effected in a very short time, in less

than one month."—Prof. C. J. Dudion, South Lyme, Conn.

Ask any druggist today for D. D. D. Prescription. He'll tell you it always cures the itch instantly—and soon there are signs of cure.

We have handled the remedy for years and regard it as the specific for skin troubles of all kinds. Come in or ask us about D. D. D. Prescription, also about D. D. D. soap especially for tender skins.

We offer the first full size bottle on the guarantee that unless it stops the itch at once, it costs you not a cent.

### FRIGHTENED TEAM CAUSE OF ACCIDENT

Rev. Thomson Escapes With Sprain and Driver of Cab, John Free Has Right Arm Broken

While on the return trip at Llano cemetery from the Fifth funeral yesterday afternoon, a cab team driven by John Free became fractious just before reaching the cemetery gate and started to kick and rear and run. Rev. R. Thomson and D. W. Owen were riding in the cab, and when they realized that they were in danger both jumped from the fast moving vehicle. Rev. Thomson sustained a sprained back, while Mr. Owen escaped all injury. The driver steered the team into the cemetery gate, and was thrown from his seat, falling under the horses as they were suddenly brought up by the witnesses of the runaway rushed to the assistance of the men endangered, and the driver Free was quickly extracted from his dangerous situation. In a miraculous way he had escaped fatal injury beneath the feet of the frightened and excited team. Both Free and Rev. Thomson were taken to the city in an automobile. Free's right wrist was found fractured and his face and head somewhat bruised. A physician immediately reduced the fracture and dressed the bruises, after which he was taken to his home, where he was resting easily last night.

Rev. Thomson was taken to his home upon arrival in the city, and when inquiry was made with reference to his condition last night, he gave out the happy information that aside from a little soreness caused by the jump from the cab he was feeling no ill effects.

All were Texas associations and it was decided that Oklahoma should be excluded from participation in the racing program of the circuit. It was tacitly agreed that the opening meeting should be held in Wichita Falls in June, after which the turflinen are to attend the fair to the east and around south and west, swinging back through Wichita Falls and finishing the season and circuit in the towns of Quanah, Verdon, Childress, Clarendon and Amarillo. ### HIGH SCHOOL PLANS FOOTBALL BENEFIT

Program of Unusual Merit To Be Presented to Public—Proceeds To Football Inebriety

Before leaving for an extended concert tour, the Alpine Quartet, assisted by Chas. Affeldt, cartoonist, has consented to give a concert in Amarillo for the benefit of the High School Athletic Association. The programme will be given in the high school auditorium Thursday evening at 8 o'clock. A concert of unusual merit is promised all who see fit to attend. The organization has spent several weeks in diligent preparation of a varied and interesting programme, and with practically the same offering will go on the road at once for a concert tour covering the rest of the winter.

Aside from a goodly amount of standard selections by the quartet there will be found a number of original and humorous selections which partake of vivid local color. A feature of the programme will be football songs composed by Mr. Crawford and set to music by Mr. Gable. Mr. Crawford will also be heard in his unique laughing song which is calculated to drive a crouch out of ones system.

The Athletic Association of the high school was put badly in debt at the end of the football season when the Comanche team was brought here at heavy expense. Rain before and during the game made attendance practically impossible. It is thought that had it not been for this rain the local team could have closed the season with a clean ledger. The management is doing everything to secure the necessary funds to liquidate all indebtedness and put athletics on a paying basis. It is thought with the proper backing by the public, the local team can annex the much coveted state championship next season. Already plans are in process of formation looking toward the development of a team which will surpass the former line-up in skill and team work.

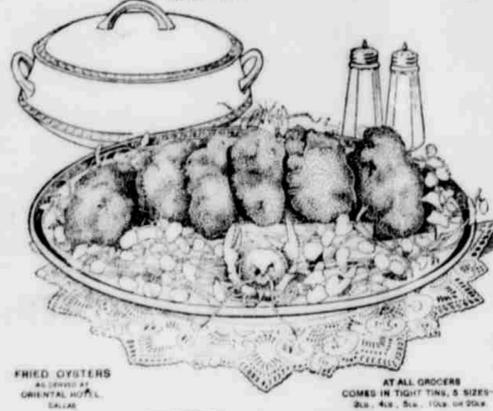

All who attend the concert next Thursday night are assured one of the very best treats of the season. The programme in part is as follows:

- Song of Welcome—Quartet.
- The Passing Regiment—Quartet.
- Tenor Solo: "When I First Met You." L. Roll.
- College Song—Quartet.
- Solo: "The Waltz is the Dance of Love—Crawford, by O. G. 4-awford.
- "De Back Slidin' Brudder." Quartet.
- Crayon Sketches—Chas. Affeldt.
- Intermission.
- Quartet Rehearsal—Quartet.
- Introducing mirth and melody and closing with the hilarious message, "The Tale of a Shirt" by Mr. Bonford.
- Reading Selected—W. E. Gable.
- Lichtinug Bug Stunt (A Shift Affair) by Quartet.
- Closing Song—Quartet.

**May Locate Here**  
H. G. Lindsay of Durango, Colo., has been in the city since Sunday with the view of engaging in business here. He has been engaged in coal business in Colorado. The visitor is a cousin of J. M. Neely of this city.

You've had trouble frying oysters or having them fried right for you. Now look at these. Notice how greasy—how dry and crisp on the outside. They're moist and delicious on the inside. You put your teeth through the outer crust and get the real and only oyster taste on the inside. These are Crusto fried oysters. Because Crusto is odorless and tasteless itself it preserves the food flavor uncontaminated. Because it can be made "red hot" without burning, it cooks a juice-preserving shell on the food before any grease has a chance to soak in—before the food juices can dribble out. Crusto helps good cooks to be better cooks. Better than land and as cheap—cheaper than butter and better.
